

## Palestine's Legal Scene

Your weekly survey of the most important publications and activities related to Palestine, from local and international sources

Page | 1

**Issue.86 | 23-28 August 2021**

**Issued every Sunday**

**By Law for Palestine**

This weekly report reviews the legal dynamics of the Palestine question, and everything related to international law and Palestine. The report includes an account of the most important publications, activities, and conferences related to Palestine at the local, regional, international levels. The report further covers decisions, decrees, and judicial orders affecting the Palestinian cause, whether made at the official, academic or public levels. The report aims to be a reference for monitoring, documenting, and archiving the latest human rights developments related to Palestine, and to present them to individuals, researchers, study centers, and official, academic, and legal institutions concerned.
