8	19/11/2023	Binyamin Netanyahu	Prime Minister	civilian harm/collective punishment	"[aid] is important for our allies to stand beside us, without it they'll find it hard to support us [regarding their actions in the strip]" (writer note: this is regarding fuel entering the Gaza strip for the first time since Oct 7 - agreed upon is "two tanks a day") "It is impossible to establish a military victory without political backing, and that the cabinet insists on Israel's security interests in the face of strong opposition. At this point, Netanyahu explained that humanitarian aid to Gaza is necessary for continued international support for Israel, and that without such aid - even its good friends will have difficulty supporting it for a long time, and it will be very difficult for Israel to continue the war until the end: "That's why when the IDF and Shin Bet jointly recommended to the cabinet to accept The war cabinet unanimously agreed to the American request to allow a limited entry of two fuel tankers a day into the southern Gaza Strip." Netanyahu added: The amount of fuel that will be put into the Strip is a minimum emergency amount whose purpose is to operate water and sewage pumps, without which the immediate spread of epidemics is expected, which could also harm IDF soldiers and Israeli citizens. 9	21/11/2023	Binyamin Netanyahu	Prime Minister	genocidal intent / civilian harm	"one of the things that make the achievements possible is a "political iron dome", and that after 43 days of hard fighting, international backing is not a matter of course. After mentioning the large amount of military aid that the US sent to Israel, he said: "Both within the US and around the world, increasing pressures are being exerted against us in recent weeks." He said that Israel repelled many pressures - including the demand not to enter the Gaza Strip, Gaza City and Shifa Hospital, but Israel entered all of them. "They pressured us to agree to a full ceasefire - we refused, And I made it clear that we would only agree to a temporary ceasefire, and only in exchange for the return of our hostages." (writer note: this came after questionable evidence was posted by idf in al shifaa and other places in Gaza city regarding "findings" and various refusals of hostage deals cited in this file and in news in general.) 10	22/11/2023	Binyamin Netanyahu	Prime Minister	forced displacement	Netanyahu again said at the press conference that there is no place for the Palestinian Authority to rule in the Strip after Israel withdraws from it. His words came at the very time when US President Joe Biden published an article in the "Washington Post", in which he wrote that the Gaza Strip and the West Bank should be united under one governing body, which will eventually be the Palestinian Authority after it is breathed into it. When asked about the words in Biden's article, Netanyahu said: "I think that the Palestinian Authority in its current form is not capable of accepting responsibility for Gaza. After we fought and did all this thing we give them the strip?" 16	23/11/2023	Yoav Gallant	Minister of Defense	civilian harm / collective punishment	Israeli officials have said that following the 4-day pause they will continue the bombardment of Gaza for "at least another two months". (background information: this followed after the Israeli families of the hostages gathered with the cabinet prior to the truce, where some left saying that the release of hostages does not seem like a priority - which subsequently pushed Natanayahu and the cabinet to agree to a truce to release some, and not all hostages. Gallant's statement regarding resuming the inaccurate bombardment of Gaza, without distinction between civilians and fighters, comes as reassurment for the families' feelings regarding the matter.)
