"We must not show mercy to cruel people, there is no place for any humanitarian gestures – we must erase the memory of Amalek (biblical tribe hostile to the Israelites)." 

If the goal of this operation is not destruction, occupation, deportation and settlement, we have done nothing. In the end, the whole country will be "[Oublit] Be'ren". 

A leadership that has mercy on monsters who massacred us is not worthy of leadership. A ceasefire for several hours is surrender, it is weakness, humiliation… Without crushing Hamas and razing Gaza, we will not have the right to exist.

The spirit of Oslo is still here. And if we don’t get rid of it… we will lose again. With Naomi and their assistants, you don’t talk. You extort evil from the world. Do you want your pop. [in Gaza] to drip? Release the hostages. Now.

Noam Revital: Hamas is covered in blood, and remember, in this very same time, the social services, the police, the army, are in fact innocent women and children, with more than 5,000 children barbarically killed, and thousands of women, youth, journalists and medical staff, and thousands unaccounted for under the rubble.

"That the beach of Gaza will be the blood of terrorists and I am not ashamed to say that"

We cannot go back to the same conception… we need to exact a territorial price from them, as we did in 1948, in order to obtain intelligence.

There should be 2 goals for this victory: 1. There is no more Muslim land in the Land of Israel… After we make it the land of IL, Gaza should be left as a monument, like Sodom…

"Disagreement in the cabinet over humanitarian aid… Netanyah: It serves the goals of the war in Gaza" 

"We must not show mercy to cruel people, there is no place for any humanitarian gestures – we must erase the memory of Amalek (biblical tribe hostile to the Israelites)." 

It is not Hamas that should be eliminated. Gaza should be razed and Israel’s rule should be restored. This is our country.

The complete destruction (the same term could be used for “cleaning”) of the Hamas will happen in our own way. (letter note: as a response to international pressure regarding the number of civilians harmed). The patents on channel 13 episode posted October 21, 2023 [32:32-32:37] minutes approx.

The majority of the 300,000 Gazans were terrorists. [...] Good robins. The majority are in fact innocent women and children, with more than 5,000 children barbarically killed, and thousands of women, youth, journalists and medical staff, and thousands unaccounted for under the rubble.

"That the beach of Gaza will be the blood of terrorists and I am not ashamed to say that"

We cannot go back to the same conception… we need to exact a territorial price from them (Hamas), including returning Jewish settlements at least to the north of the Gaza Strip.

As long as Hamas does not release the hostages it is holding - the only thing that needs to enter Gaza is hundreds of tons of explosives by the Air Force, and not an ounce of humanitarian aid.

There should be 2 goals for this victory: 1. There is no more Muslim land in the Land of Israel… After we make it the land of IL, Gaza should be left as a monument, like Sodom…
