| 3   | 20/10/2023 | Amir Weitman         | Misgav Institute for Zionist Strategy and National Security | forced displacement                                    | Position paper: A plan for resettlement and final rehabilitation in Egypt of the entire population of Gaza: economic aspects:<br>Main points:<br>• There is currently a unique and rare opportunity to evacuate the entire Gaza Strip in coordination with the Egyptian government. An immediate, realistic and sustainable plan for the resettlement and humanitarian rehabilitation of the entire Arab population in the Gaza Strip is required which aligns well with the economic and geopolitical interests of Israel, Egypt, the USA and Saudi Arabia.<br>• In 2017, it was reported that there are about 10 million vacant housing units in Egypt, of which about half are built and half are under construction. For example, in the two largest satellite cities of Cairo, "The 6th of October" and "The 10th of Ramadan", there is a huge amount of built and empty apartments owned by the government and privately and construction areas sufficient to house about 6 million residents.<br>• The average cost of a 3-room apartment with an area of 95 square meters for an average Gazan family consisting of 5.14 people in one of the two cities indicated above is about \$19,000. Taking into account the currently known size of the entire population living in the Gaza Strip, which ranges from about 1.4 For approximately 2.2 million people, it can be estimated that the total amount that will be required to be transferred to Egypt to finance the project will be on the order of 5 to 8 billion dollars.<br>• Throwing an immediate stimulus at such a height to the Egyptian economy will provide a tremendous and immediate benefit to al-Sisi's regime. These sums of money, in relation to the Israeli economy, are minimal. Investing a few billion dollars (even if it is 20 or 30 billion dollars) to solve this difficult issue is an innovative, cheap and sustainable solution.<br>• There is no doubt that in order for this plan to come to fruition, many conditions must exist at the same time. Currently, these conditions are met and it is unclear when such an opportunity will arise again, if ever. | Hebrew                         | <a href="https://www.972mag.com/intelligence-ministry-gaza-population-transfer/">https://www.972mag.com/intelligence-ministry-gaza-population-transfer/</a><br><a href="https://www.madamasr.com/en/2023/10/25/feature/politics/the-sinai-solution-reimagining-gaza-in-the-post-oslo-period/">https://www.madamasr.com/en/2023/10/25/feature/politics/the-sinai-solution-reimagining-gaza-in-the-post-oslo-period/</a> |

| 7   | 03/11/2023 | Avishai Levy         | Lieutenant Colonel and Rabbi of the Northern command        | genocidal intent/ collective punishment/ civilian harm | In a published paper entitled "Sodom and Gomorrah", which talks about the fact that in the Bible there is only one incident in which God calls for the destruction of a city, in light of a moral perversion that falls below the threshold of humanity - Sodom and Gomorrah. Lot looks back, she becomes a salt commissioner and the lesson is clear. "As soon as she looked back even for a second and expressed empathy, [she] proved that she was already part of the evil. When there is absolute evil, one must not look back, one must not express empathy. The actions of the oppressors on Black Sabbath [meaning october 7th] are tens of times worse than the actions of Sodom and Gomorrah. The war is not about territory or Economy but a war for the loss of evil from the world and the perpetuation of the absolute good". (link to image: <a href="https://static.zman.co.il/www/uploads/2023/11/WhatsApp-Image-2023-11-05-at-11.42.32.jpeg">https://static.zman.co.il/www/uploads/2023/11/WhatsApp-Image-2023-11-05-at-11.42.32.jpeg</a> ) This speak for itself: Gaza is today's Sodom and the analogy could not be clearer - the city that represents absolute evil must be destroyed. There is no place for empathy, which is only proof of identification with absolute evil. The IDF chose not to comment on the matter.  | Hebrew                         | <a href="https://static.zman.co.il/www/uploads/2023/11/WhatsApp-Image-2023-11-05-at-11.42.32.jpeg">https://static.zman.co.il/www/uploads/2023/11/WhatsApp-Image-2023-11-05-at-11.42.32.jpeg</a>  |

| 13 | 24/12/2023 | IDF soldiers                  |  | civilian harm / collective punishment                  | The Israeli army admitted on Thursday that it killed dozens of Palestinians in an air strike on the Maghazi refugee camp in Gaza on Christmas Eve. An army spokesperson told Kan news that the military regretted that the attack, which killed 70 people, had harmed people adjacent to the intended target. "A preliminary investigation revealed that during the attack, additional buildings were damaged adjacent to the targets that were [meant to be] attacked," the spokesperson told Kan. "[This] apparently resulted in harm to those not involved... The IDF regrets the harm to those not involved." Israel has previously bombed the camp, but the attack on Sunday was described as one of the "deadliest" since the start of the conflict in early October. The bombing of the camp started just before midnight on Christmas Eve and continued into Christmas Day. Hamas called the attack "a horrific massacre" and "a new war crime". On Wednesday, the Palestinian Health Ministry said the death toll from Israel's operation had surpassed 21,000, most of them women and children. Herzi Halevi, the head of the Israeli armed forces, said on Tuesday that the hostilities will continue for "many more months". At least 1.9 million Palestinians have been internally displaced since the beginning of the Gaza assault, according to UN estimates. Only limited amounts of aid have been allowed to enter Gaza since the beginning of the war as Israel has imposed a total blockade on the strip, including cutting off water and electricity supplies, causing severe shortages of water, fuel, food, and medicines. | Hebrew (translated to English) | <a href="https://www.instagram.com/p/C1a9GncfWZ/?igsh=ZW12YzEzYmMxYg%3D%3D">https://www.instagram.com/p/C1a9GncfWZ/?igsh=ZW12YzEzYmMxYg%3D%3D</a>  |

| 15 | 18/11/2023 | IDF statement on Israeli news |  | civilian harm  | IDF: "we did not demand to evacuate al shifaa, we answered the request of the hospital's manager to allow citizens to evacuate" the article mentions the IDF did not ask medical staff or patients to evacuate as they invaded parts of the hospital (as well as bombed all around in the days leading to the invasion) as previously claimed by doctors in the hospital, but instead "allowed" some who wanted to evacuate to do so through a "safeway" (which eyewitnesses has also mentioned army snipers shooting at that path) along with "providing medical care" to the hospital - which has been debunked in the evidence sheet as empty boxes with nothing in it, along with testimonies from both Palestinian and foreign doctors denying Israel's claim to a "hamas commander quarter" inside or under the hospital. Evidence made by IDF spokesperson and others has been widely debunked online. Some are extremely graphic. Here is one of the more moderate ones. "Good morning, whore" The soldier spits and calls the Pal detainee a "sheep f****er" (writer note: many videos surfaced were of Palestinians from the West Bank, but detainee abuse and torture was also of Gazan detainees the IDF took from Gaza, including women and children.   | Hebrew                         | <a href="https://twitter.com/YehudaShaul/status/1737112341173637205">https://twitter.com/YehudaShaul/status/1737112341173637205</a>  |

| 29 | IDF soldiers |  | inhumane treatment | <p>Israeli forces drove bulldozers through Sheikh Shaban cemetery in the al-Saha neighborhood in eastern Gaza. Graves were destroyed, and already-buried bodies were exhumed, crushed and mutilated.</p> <p>Al Jazeera journalist Ismail al-Ghoul reported that, "Parts of the dead bodies, including those of children, are clearly visible around the area."</p> <p>Prior to the war, Palestinian families lived in Sheikh Shaban cemetery because of the lack of available housing in the Gaza Strip. Gaza is among the smallest and most densely populated cities in the world.</p> <p>There has been little space, or time, for families to have funerals - or even grieve - during Israel's bombardment. Some hospitals have been forced to bury people before their relatives could identify them because there's not enough space in the morgues to keep them.</p> <p>Scared parents scrawl children's names on their arms and legs in the hopes they will at least be identified after they die.</p> <p>In addition to relentless bombing, Israel has blocked food, water, fuel and electricity in the Gaza Strip. As of publishing, over 20,000 people have been killed. 70% of them are women and children.</p> | English | <a href="https://www.instagram.com/p/C1lcMbVPbeu/?igsh=ZWI2YzEzYmMxYg%3D%3D">https://www.instagram.com/p/C1lcMbVPbeu/?igsh=ZWI2YzEzYmMxYg%3D%3D</a>  |

| 31 | IDF soldiers |  | disinformation     | <p>IDF edits and reuploads "evidence" video from a hospital used to justify its bombardment of it - this time blurring the laptop screen which had a picture of a soldier as a background as well as the charger with QI-148 on it with a charger that is not used in Gaza but only in Israel (second link). IDF spokesperson later stated that "this laptop belonged to a soldier that previously was kidnapped and released", failing to mention why this information wasn't included in the original video, as well as to why they have blurred the screen in the second upload if so, and why the IDF page has deleted this video all together since.</p>  | English | <a href="https://www.instagram.com/p/CzsKGr2CBH1/?img_index=1">https://www.instagram.com/p/CzsKGr2CBH1/?img_index=1</a>  |
